Local Arrangement Chair June Zhang

CALL FOR PAPERS

Catch the Big Data Wave in Signal & Information Processing

APSIPA ASC 2018 (www.apsipa2018.org) will be the tenth annual conference organized by the Asia Pacific Signal and Information Processing Association (APSIPA). Founded in 2009, APSIPA aims to promote research and education in signal processing, information technology, and communications. Annual conferences have been held previously in Sapporo, Japan (2009), Singapore (2010), Xi'an, China (2011), Los Angeles, USA (2012), Kaohsiung, Taiwan (2013), Siem Reap, Cambodia (2014), Hong Kong SAR (2015), Jeju, Korea (2016), and Kuala Lumpur, Malaysia (2017). APSIPA is interested in all aspects of signal and information processing theory, algorithms, security, implementation, and applications. Please join us as we celebrate our tenth conference at the Hawaii Convention Center in Honolulu, Hawaii. The technical program includes (first six topics are current APSIPA technical committees), but is not limited to the following areas:

Biomedical Processing and Systems (BIOSIPS)

Image, Video, and Multimedia (IVM)

Signal and Information Processing Theory and Methods (SIPTM)

Signal Processing Systems: Design and Implementation (SPS)

Speech, Language, and Audio (SLA)

Wireless Communications and Networks (WCN)

Data Analytics and Machine Learning

Deep Learning-based Signal Processing

Information Forensics and Security

Signal and Information Processing in Energy and Sustainability Signal and Information Processing for the Internet of Things (IoT)

Signal and Information Processing Education

Paper Submission

Prospective authors are invited to submit papers (4 to 10 pages).

Due Dates:	
Submission of Proposals for Special Sessions:	April 1, 2018
Submission of Proposals for Forum, Panel, & Tutorial Sessions:	April 1, 2018
Submission of Regular Session Papers:	May 1, 2018
Submission of Special Session Papers:	May 1, 2018
Notification of Paper Acceptance:	July 31, 2018
Submission of Camera-Ready Papers:	August 31, 2018
Author (early-bird) Registration Deadline:	August 31, 2018
Tutorial Session Date:	November 12, 2018
Summit and Conference Dates:	November 12-15, 2018
